

# Form Builder Instructions

## Form Library

Form builder comes with a set of core forms to use as a demo. To begin working with form builder, navigate to the page title “Fill Out a Form”

The screenshot displays the 'Form Builder' interface. At the top, a dark blue header bar contains the text 'Form Builder' on the left and a hamburger menu icon on the right. Below the header, the main content area has a light blue background and features three stacked form cards. Each card has a light gray header section with a title, a white body section with a description, and a teal button labeled 'Fill Out Form' at the bottom.

Form Title	Description	Action
Media Reviews	Content intake form for product media reviews.	Fill Out Form
Video Overviews	Content intake form for video overviews.	Fill Out Form
Product Features	Content intake form for product features.	Fill Out Form

This is the library of forms you have available to complete. Select “Fill Out Form” on one of the options to begin completing a form.

## Completing a Form

After selecting a form to edit, you'll be brought to the page to complete the form. Fill out all of the fields as they are all required and then hit submit.
